THE 2001 FIRST ROBOTICS COMPETITION MANUAL

2001 FIRST Robotics Competition Schedule

Kennedy Space Center Southeast Regional Kennedy Space Center	March 1-3, 2001 Kennedy Space Center, Florida
UTC New England Regional Meadows Music Theatre	March 1-3 , 2001 Hartford, Connecticut
SBPLI Long Island Regional Suffolk County Community College	March 8-10, 2001 Long Island, New York
NASA Langley/VCU/School of Engineering FIRST Robotics Competition Virginia Commonwealth University	March 8-10, 2001 Richmond, Virginia
West Michigan Regional Grand Rapids Community College	March 8-10, 2001 Grand Rapids, Michigan
Johnson & Johnson Mid-Atlantic Regional Rutgers University	March 15-17, 2001 New Brunswick, New Jersey
Lone Star Regional Reliant Arena (Formerly Astro Arena)	March 15-17, 2001 Houston, Texas
New York City FIRST! Regional Columbia University	March 15-17, 2001 New York City, NY
Southern California Regional Los Angeles Memorial Sports Arena	March 15-17, 2001 Los Angeles, CA
Great Lakes Regional Eastern Michigan University	March 22-24 , 2001 Ypsilanti, Michigan
Motorola Midwest Regional Northwestern University	March 22-24, 2001 Evanston, Illinois
Philadelphia Alliance Regional Drexel University	March 22 - 24, 2001 Philadelphia, Pennsylvania
Silicon Valley Regional San Jose State University	March 22-24 San Jose, California
National Championship Epcot, a Walt Disney World Resort	April 5-7, 2001 Orlando, Florida

THE 2001 FIRST ROBOTICS COMPETITION MANUAL

NC. NATIONAL CHAMPIONSHIP - APRIL 5-7

The National Championship will take place at Epcot, a Walt Disney World Resort. The event takes place in the parking lot area of Epcot, a Walt Disney Resort. Please place all supplemental materials supplied by the Disney organization in this section.

Please read the entire section for a general overview of events as well as important information regarding FIRST contacts, mascots/uniforms, recommended items and equipment for teams, Pit rules, event schedules, registration, practice rules/time slots, and robot inspections.

NC. 1 Judges' Yearbook Page

The Yearbook Page consists of a team overview page and a materials page. To make the judging process more efficient and provide judges with a common starting point for each team, we require teams to provide a list of the materials they use on their robot. The Yearbook Page will help provide the judges with some insight into each team and its workings, team history, and information about the team's robot. There will also be a spot for a single photo. The requested digital picture of the robot, or the team and robot, provides a visual recollection for the judges as well as a picture we can archive on disc to use for media coverage and the awards ceremony at the National Competition.

The Main Contacts for each team will receive an e-mail with the "Yearbook Page" form. It will also include a "Materials" form. The Main Contact will also receive instructions how to fill out the forms, as well as required formats and a deadline. To ensure that the information is archived properly, there are specific guidelines to save the document and return to FIRST via e-mail.

NC. 2 Consent Form - A Requirement

- Please find the Disney consent, release, and hold harmless form in the Disney Section
- Put your team number on the top of the form
- Make photocopies of the form for each member of your team
- Have each team member, *adult and student*, complete this form. *This is a Disney requirement!*
- Designate an adult team member to:
 1. Secure the team's forms with a binder clip, folder, or paper clip
 2. Bring the forms to the competition
 3. Turn in the forms to a FIRST representative at the Pit Administration Table

NC. 3 Event Attendees Notification Deadline

To better prepare for the competition, please let your FIRST Staff Team Coordinator for this event know how many team members will be attending. We do not need names. Provide this information no later than March 16, 2001 (5:00pm, EDT).

Odd-numbered teams	Even-numbered teams
LORI RAGAS - lori@usfirst.org	ERICKA-LEIGH SMITH - ericka@usfirst.org
Phone (800) 871-8326, ext. # <i>key</i> 433	Phone: (800) 871-8326, ext. # <i>key</i> 432
Fax: (603) 666-3907	Fax: (603) 666-3907.

NC. 4 Mascots and Uniforms

FIRST encourages you to develop and wear team uniforms, including identifying hats and T-shirts that display company and high school team names and/or logos. Not only does this promote team spirit, it helps the audience, announcers, judges, and spectators identify you and your robot.

Please make sure that mascot costumes are safe for the wearer as to vision and movement. It is important to make sure they are comfortable and cool enough. In warmer climates, there is danger of fainting and dehydration.

THE 2001 FIRST ROBOTICS COMPETITION MANUAL

NC. 5 Pit Information

The Pit is the place teams will spend their time working on their robot. Each team has an equal space in which to work. It is important to use thoughtful manners and true team spirit here. *Quarters are small, time is short, and help is right next door. Your team's best friend can be the team in the next pit station. Help each other when you can! The staff at the Pit Administration Station is there to help you.*

The Pit Administration Station is centrally located in the Pit. FIRST staff members and volunteers staff this area to help teams whenever the Pit is open. It is the place where teams:

- Register and receive their registration packets
- Can get answers to most questions
- Check in and notify inspectors that the team is ready for its initial robot inspection.
(Robots must pass inspection before they can compete in Seeding Matches. **NOTE:** Refer to the *Inspection Checklist* in Robot Rule section of the manual. This will help acquaint your team members with parts and requirements prior to the competition.

NC. 5.1 Pit Equipment

Your robot will be delivered to your station. Each team will have a table and power outlet in the pit area. We suggest you bring the following:

- Extension cord (heavy duty and at least 25')
- Power strip to make best use of your power drop
- Other items as suggested on the *Team Checklist*.

NC. 5.2 Pit Courtesies and Rules:

Remember that the FIRST Staff wants you to enjoy the competition and is there to help in whatever way possible. Please read the rules below and follow them so we all can maintain the area in a safe, friendly, sportsmanlike, and orderly manner.

Battery safety: Charge in an open, well-ventilated area.
(Sealed Acid Lead) Do not charge it near equipment that may produce sparks.
Charge it in an upright position. It is not safe to charge the SAL battery in an inverted position.
Do not charge near an open flame.
Do not use smoking materials in the battery charging area.

Grinding and Painting: Teams are prohibited from grinding or painting at their pit stations. There will be grinding and painting stations available to all teams.

Hours: Please be aware of the opening and closing hours of the Pit area. They are posted on your agenda received in your Registration Packet. Should the hours change, they will be available at the Pit Administration Station. Specific hours are necessary to provide teams with equal work time.

Noise: Use of loud audio systems, whistles, and blow horns is not allowed in the Pit Area. They prevent teams from hearing important announcements and can cause hearing loss.

Open Flames: No open flames are allowed at the pit stations.

Pit Station Crowding: Please stay within the area allotted to your team. FIRST reserves the right to limit the number of team members in the pit area. If the pit area becomes too crowded for machines and teams to move

THE 2001 FIRST ROBOTICS COMPETITION MANUAL

back and forth to the field safely and quickly, we will request that some team members leave the area.

Robot Operation: Operate robots *on tether only* in Pit area.

Safety Goggles: All team members and onlookers are *required to wear safety goggles* in the Pit and on the playing field . It is a requirement that each team bring enough safety goggles to supply its team and guests.

Sales: Because of site regulations, FIRST cannot allow teams or individuals to sell items, such as T-shirts, pins, etc., at any events.

Two-way radios: These are not allowed in the Pit or near the playing field since they may interfere with robot operation and/or cause accidents.

Welding, Soldering, Brazing: These operations are prohibited at the pit stations. The machine shop will supply this service.

NC. 6 Schedule of Events Overview

The following information gives an overview of the competitions as to schedules, registration, practice times, robot inspection, qualifying seeding and elimination matches. Please familiarize your team with this overview so all team members are familiar and comfortable with the schedule. Your information packet will include a more detailed agenda.

<u>Thursday</u>	Team arrival Registration Practice Rounds Official Weigh-in Inspection
<u>Friday</u>	Seeding Matches at Epcot Arena
<u>Saturday</u>	Seeding Matches (continued) Elimination Matches Award Ceremony at Epcot Arena Wrap Party - Location is TBD

NC. 6.1 Check In / Registration

Teams are required to register at the Administration Table in the Pit Area by noon on the first day, of the event. At this time, you will receive your team's orientation packet for the event. It will contain:

- Layout of Pit with Team Locations
- Team Practice Times
- Team Operator Badges
- List of Attending Teams
- Agenda

NC. 6.2 Practice Rules

In order to make the most of practice time, be prepared and on time. Each team must be respectful of the other teams sharing the field during this time. Friendly interaction between machines is acceptable if both/all teams are willing. Unsportsman-like conduct on the part of a team at any time during the Robotics Competition could result in loss of practice time.

THE 2001 FIRST ROBOTICS COMPETITION MANUAL

NC. 6.3 Practice Time Slots

Everyone will receive at least 2 ten-minute practice slots. Your information packet will contain a list of practice times and field locations. This is an important part of your registration information. Your team *must* be ready to practice at the designated times and fields.

If your team cannot be ready for your practice time slot, the team will forfeit that practice slot. This change is implemented because of the increasing number of competing teams. It is no longer viable to switch practice times at many sites, so to keep the “playing field level,” this rule will be implemented at ALL competitions.

NC. 6.4 Official Robot Inspection

FIRST staff will be on-site all day Thursday until the Pit closes to inspect your machine. Your robot must pass inspection before competing in the Seeding Matches on Friday.

NC. 6.5 Matches: Seeding and Elimination

Refer to the Game Section of the manual for Seeding and Elimination Match information. Seeding Matches take place Friday and Saturday. Elimination matches begin Saturday after the Seeding Matches are finished. Each team will compete in these matches.

NC. 7 Drayage: Services, Requirements, and Instructions

Epcot, a Walt Disney Resort, will not accept or store team robots or tool boxes. Freeman Decorating will deliver all freight to the competition site on Wednesday, April 4, 2001. Please read and follow the information and stipulations in this section to ensure proper shipment and delivery of your robot and equipment.

In order for FIRST to ensure that teams meet “robot out of hands” deadlines and to ensure on-time arrivals and “trackability,” FIRST requires teams to use the drayage services stipulated for each event. Freeman Decorating Company is the exclusive drayage contractor for the National Championship. Please note the stipulations listed below:

1. Freeman will receive only crated, boxed, or skidded materials at their warehouse.
2. Freeman will only receive shipments that are sent with freight charges *PREPAID*. *They cannot and will not accept collect shipments.*
3. All shipments must have a bill of lading or delivery slip showing the number of pieces, type of merchandise or weight. Shipments received without freight bills or specified unit counts on receipts will be delivered to team tables without guarantee of piece count or condition.
4. When receiving freight, Freeman Decorating requires that drivers submit *certified weight receipts*. Freeman reserves the right of refusal to unload such shipments unless they are presented with same.

NOTE: If there is no weight receipt, Freeman Decorating will estimate the weight. If actual scale weight figures are not submitted prior to the move out period, the estimated weight will be final and binding.

NC. 7.1 Freeman Decorating Contact Information

Freeman Decorating Company
2200 Consulate Drive
Orlando, FL 32837

Exhibitor Services Department
Phone: (407) 857-1500
Fax: (407) 850-9328

THE 2001 FIRST ROBOTICS COMPETITION MANUAL

NC. 7.2 Freight Arrival Deadline

Freeman Decorating must receive all freight at its warehouse no later than Monday, April 2, 2001 in order to meet delivery deadlines to the competition site.

NC. 7.3 Shipment Labeling

Refer to Crate Identification section for letter/number specifications. Clearly label all crates, boxes, or skids with the following information. Label continues on next page:

Team Number: _____

Team Name: _____

FREEMAN DECORATING COMPANY

Hold for: National Championship

Epcot

2200 Consulate Drive, Orlando, FL 32837

NC. 7.4 Outbound Shipments

Outbound materials will be moved from the Pit area to the dock and reloaded on designated vehicles. To assist you with arrangements for outbound shipments, Freeman Decorating Company will have personnel with labels, bills of lading, and shipping information available.

NC. 7.5 One Way Shipments - Outbound

If your team intends to make its own return shipment arrangements, clearly mark each crate "ONE WAY."

NC. 7.6 Cost Paid by FIRST

FIRST will pay for the drayage cost of *ONE* crate only. Refer to *Crate Information, Crate Size and Weight Specifications* section.

NC. 7.7 Cost Paid by Teams

If the measurement or weight of crate exceeds the specifications, or if the team ships more than one crate, the team will pay for all additional drayage charges incurred. *Teams must pay for any additional drayage charges by the end of the competition on Saturday.*

NC. 8 Crate Information

It is important that teams follow the rules for crating and shipment of their robot. Please read and follow the requirements that help keep drayage and shipping manageable. The drayage company determines if a crate meets the required regulation size and passes the information to FIRST. *If a crate exceeds these specifications, FIRST will not guarantee security or delivery of the crate(s).*

NC. 8.1 Crate Size and Weight Specifications

- All crates must have a footprint *no greater* than 4' by 4' and be *no higher* than 6' high.
- All crates must weigh 400 pounds or less
- All crates must be sturdily built
- *All crates must "sit" on 2 pieces of 4" by 4" lumber, spaced at least 28" apart.* This requirement will facilitate moving the crates with a pallet lift.

NC. 8.2 Allowed Number of Crates

In order to keep Pit egresses clear and safe and provide each team with its fair share of designated space, FIRST recommends that each team bring only one crate. *No more than two crates per team*

THE 2001 FIRST ROBOTICS COMPETITION MANUAL

are permitted at any competition site. Teams that ship an extra crate are responsible for all drayage costs pertaining to the additional crate. *The extra crate must also meet the specifications stated above.*

NC. 8.3 Crate Identification

Clearly mark all four (4) sides of your crate(s). Display the following:

• TEAM NUMBER	Place within the top 12 inches of crate. Use six (6) inch numbers.
• OFFICIAL TEAM NAME (Sponsor / School)	Place Under team number Use (2-3) inch letters.
• SITE LOCATION.	Place Under Team Name Use (2-3) inch letters.
Read the drayage company specifics to see if there are additional requirements or specific label style	

NOTE: The address or the name of the team or team member is not enough information for identification.

NC. 8.4 Crate Contents

The following items are required to be included in the robot crate:

- 1 Robot
- 1 Control system (Complete)
- 2 Batteries: Unplug and pack separately from the robot. FIRST recommends using a small box packed inside your crate.

NC. 9 Shipping Your Robot & Equipment

Please be aware that there are shipping requirements and deadlines. There are specified times and dates that your robot must leave your hands and reach the drayage site. We try to make this process as easy as possible. Please pay attention to deadline and compliance issues. On the Saturday, a drayage company and shipping vendor will be available on site to assist teams with shipping needs.

NC. 9.1 Shipping Charges

Teams are responsible for paying for all shipping charges. They must be paid “in full” at the time of shipment. COD shipments will not be accepted.

NC. 9.2 “Robot out-of-hands” Rule / Verification

To give each team the same amount of time to work on their machine, robots must be out of the teams’ hands at a specified time. Make sure your team complies with this policy. Do the following:

- Obtain a receipt from your Shipper
or If you drive your robot to the drayage site, obtain a receipt from the drayage company
- Make sure your receipt clearly shows the date and “out of hands” time
- Put your team number on the receipt
- *Within 24 hours*, fax it to FIRST at (603) 666-3907 or (603) 666-0043:
Odd numbered teams: Attention: Lori Ragas
Even numbered teams: Attention: Ericka-Leigh Smith

A. Team is Only Competing in National Championship:

If you intend to compete in the National Championship only, you are required to do the following:

- Ship your machine by 5p.m. local time on Thursday, February 22, 2001. Your robot must be out of your hands, en route to Freeman Decorating Company via a shipping company, or at Freeman Decorating Company.
- *Arrival at drayage site deadline:* It must arrive by 5 p.m. Monday, April 2, 2001 .

THE 2001 FIRST ROBOTICS COMPETITION MANUAL

Shipping Options	“Robot Out-of-hands” Verification
1. Ship via Yellow Freight	Yellow Freight notifies FIRST
2. Ship via another carrier	Team must fax verification by the deadline.
3. Drive your robot to the Drayage site	Team must fax verification by the deadline.

B. If Team is Competing in a Regional Event:

- *Arrival at drayage site deadline:* Your shipping company must deliver your robot to the drayage company by 5p.m. on Monday, April 2, 2001.
 - You have two “robot out-of-hands” shipping options:
 1. Ship the robot from the regional. Ship by 5 p.m. on the last day of the regional event
- OR**
2. Take the robot “home.” It must be out of your hands by 5p.m. local time on the Tuesday following the regional event.
- Refer to above table for shipping and “out-of-hands” verification options.

NC. 10 Yellow Freight

FIRST has negotiated a 53% discount on shipping rates for all Robotics Competition teams. This discount should save teams substantial money on shipping charges during the season. *Use of Yellow Freight is optional.*

NC. 10.1 Benefits

If your team chooses Yellow Freight, the following will occur:

- Yellow Freight will provide FIRST with a master account number to enable us to track shipments from the ship point to the drayage company. Each team will receive an individual number when your representative fills out the Bill of Lading. This will allow teams to track their shipments.
- Yellow Freight will provide FIRST with proof of shipment and “out-of-hands” verification.
- Each team will be able to call the Yellow Freight Customer Service Center 24 hours a day at (800) 610-6500 or use their web site www.YellowFreight.com to make arrangements and track their shipment.

NC. 10.2 Shipping Instructions for Yellow Freight

FIRST is pleased to offer our Robotics Competition participants a program in association with Yellow Freight to make shipping to this year’s competitions easier. The following steps will guide you through the shipping process. Please follow them carefully.

1. Find the Bill of Lading at the web address below.

<http://www2.yellowcorp.com/cgi-bin/gx.cgi/applogic+yfsbolforms.E000ShowForm>

2. Fill in the Bill of Lading

When you are ready to ship, *fill in ONLY the following* on the Yellow Freight Bill of Lading

- Under “Name,” enter: *FIRST Robotics Competition Team ###* (Substitute the “###” with your team number. You *must* put your team number.)
- Shipper’s name and address (Fill in the Company/School, address, phone)
- Consignee information (Drayage Company address/phone information)
- Number of pieces (also called units) List *each* crate/weight separately.
- Weight (total weight, including all packing and crating)

3. Freight Costs

To get your shipping cost, call Yellow Freight Customer Service Center at 1 800 610-6500. Information you will need to tell the customer service representative is:

- a) Class 125 Exhibition Material

THE 2001 FIRST ROBOTICS COMPETITION MANUAL

- b) Tariff T500Y
- c) Total Weight on Bill of Lading
- d) From Where
- e) To Where

The Yellow Freight representative will provide you with your total shipping cost.

4. Accepted Payment - Prepaid only

- a) Credit Card: The following Credit Cards are accepted: American Express, Master Charge and Visa. Advise the driver at the time of the pickup and he will take down the payment information.
- b) Check: Payable to Yellow Freight and given to the driver at time of the pick up

5. Shipment Pick Up

To arrange your pick-up, call the Yellow Freight Customer Service Center at 1 800 610-6500. They will arrange the pick-up no matter where you are located.

6. Tracing Your shipment

At the time your shipment is picked up, the Yellow Freight driver will attach a shipment number to your copy of the Bill of Lading. Use this number for tracing your shipment all the way through. There are two ways to trace your shipment.

- a) You can call the Yellow Freight Customer Service Center at 1 800-610- 6500 which is available 24 hours a day, 7 days a week.
- b) You can go on line at: www.yellowfreight.com

7. Problem Resolution

Fortunately, when something less than perfect happens to your shipment with Yellow Freight, Yellow has the means and processes in place to get the answers you need and the help to rectify the situation. Call the Yellow Freight Customer Service Center at 1 800- 610-6500 and they will be glad to assist you.

NC. 11 Team Event Checklist

This is a suggested list of items that you may want to bring to the competition. The list is located on the reverse side of this page.

NC. 12 Disney Consent Form

The Disney Consent Form is required for each person attending the National Championship. It is on the reverse side of this page. Refer to section NC. 2 "Consent Form - A Requirement" for instructions. This form is page 13.

NC. 13 Disney Package

The information on the Disney Package follows page 13. You can also find it on the web site www.usfirst.org/2001comp/Natl/disney.pdf

THE 2001 FIRST ROBOTICS COMPETITION MANUAL

This is provides suggested items your team may want to bring. Replenish items between events.

TOOL BOX ITEMS

SAFETY GLASSES are required for all team members and Pit Station visitors!!!

- Adjustable crescent wrench
- Allen wrenches
- Ball driver set / Nut driver set
- Batteries and Charger
- Box cutter
- C-Clamp, large, medium, small
- Cutters
- Deburring tool
- Dremel tool/accessories
- Drill bit set
- Drill - cordless w/charger
- Duct tape
- Electrical tape
- Flashlight
- Flat Screwdriver, large - medium - small
- Hack saw and blades
- Hammer (ball pean & brass)
- Heat gun
- "Leatherman" tool
- Level, small
- Lithium grease, spray can
- Lock tight
- Magnet on a stick
- Needle nose pliers - medium, small
- Open end and boxed end wrenches
- Paint brush
- Phillips Screwdriver, medium - small
- Pliers, - large, small
- Power Outlet Strip / Extension cord (2)
- Power Screwdriver
- Saber Saw/wood & metal blades
- Sandpaper - various grit
- Screws - nuts - washers
- Shrink tubing
- Socket set - 1/4", 3/8" drive
- Soldering iron, solder, solder wick, flux
- Spare parts
- Super glue / stick glue
- Square - small, medium
- Tap & die set/assorted taps
- Tape measure / ruler
- Tie Wraps / Connectors
- Tin snips
- Tweezers / scissors
- Vice grip - large, small
- Volt meter
- WD-40 / Lithium grease, spray can
- Wire terminal crimpers / Wire strippers
- X-acto knife and blades

ADDITIONAL ITEMS

- 1st Aid Kit
- Banner / Corp. signs & flags
- Cart for robot
- Clock
- Dirt Devil - vacuum
- Disposable camera / extra film
- Drop light
- Epoxy
- File folder box for paperwork
- Hand truck
- Laptop / software / cables / floppies
- Medical Release Forms
- Message Board - dry erase marker set
- Notepads / spiral notebook / clipboard
- Paper / Post It Notes
- Paper towels / rags
- Pens / pencils / sharpies / markers
- Permission Slips
- Pit work schedule and clean up
- Portable printer
- Registration Papers
- Rubber bands
- Rule Book and updates
- Schedule to set up and break down
- Small foldable seats
- Small trash can
- Spray cleaner
- Stapler / staples
- Storage box - trinkets & trash (buttons)
- Tape: Clear / masking / duct
- Team roster
- Trash bags
- Upright storage bins
- Water cooler / cups or water bottles
- Ziploc bags

1ST AID KIT / ESSENTIALS

- Advil / Tylenol
- Alcohol Prep Pads / 3M First Aid tape
- Band-Aids / Blister kit
- Cough drops / sore throat medicine
- Extra - toothbrushes/hairbrushes/combs
- Extra - travel size deodorant/razors
- Eye wash and drops
- Hand sanitizer / Liquid Soap
- Ice Bag
- Insect sting medicine / OFF spray
- Kleenex/Cotton Balls/Wet ones/Q-Tips
- Neosporin
- Pepto-Bismol / Imodium AD
- Small Sewing Kit
- Sunscreen / Sunburn Spray /Aloe Vera

THE 2001 FIRST ROBOTICS COMPETITION MANUAL

EXHIBIT D

CONSENT, RELEASE, HOLD HARMLESS AND AUTHORIZATION TO REPRODUCE PHYSICAL LIKENESS

As used below, "FIRST" shall mean Foundation For Inspiration and Recognition of Science and Technology, and its officers, directors, employees, agents and assigns and "Disney" shall mean Walt Disney World Co., The Walt Disney Company, Disney Enterprises, Inc., their related, affiliated, and subsidiary companies and the officers, directors, employees, agents and assigns of each of the foregoing.

In consideration of the acceptance of my participation in the National Finals of the 2001 FIRST Competition (the "Event") at the WALT DISNEY WORLD® Resort from Monday, April 2, 2001 through Sunday, April 8, 2001, I agree to the following:

I hereby grant to Disney and FIRST the right to photograph and/or videotape me during my participation in the Event. I further grant to Disney and FIRST, forever and throughout the world, the right to use these photographs and videotapes of my likeness, voice and sounds during my participation, and to reuse or license the right to reuse such photographs and videotapes of my participation, and my name, likeness and biography, as Disney and/or FIRST may desire, in all media and in all forms, without further compensation to me or any limitation whatsoever. In granting this license, I understand that Disney and FIRST are not under any obligation to exercise any of their rights, licenses and privileges herein granted. Each such photograph and videotape shall be a work for hire and Disney and/or FIRST shall be deemed the owner of any copyright and/or trademark rights therein (and all applications, registrations and renewals resulting therefrom). If, however, the work is deemed not to be a work made for hire by a court of competent jurisdiction, then this Consent, Release, Hold Harmless and Authorization To Produce Physical Likeness ("Release") shall constitute an irrevocable assignment of the worldwide copyright in the work to Disney and FIRST.

The undersigned being fully cognizant of the risks in participating in the Event, hereby assumes the risks of bodily injury (including, without limitation, death) and property damage, inherent in such participation. Except to the extent due to the gross negligence or willful misconduct of FIRST or Disney, to the fullest extent permitted by applicable laws, I hereby waive any claims or causes of action which I may now or hereafter have against FIRST and/or Disney arising out of my participation, and I will indemnify and hold harmless FIRST and Disney against any and all claims resulting from such participation.

I hereby release FIRST, Disney and their respective successors, affiliates, licensees and assigns from all claims, demands, liabilities, damages, costs and expenses (including, without limitation, attorneys' and other professional fees and expenses) that I may now or hereafter have against FIRST and/or Disney arising in connection with my participation in the Event and FIRST's and/or Disney's exercise of rights hereby granted, including, without limitation, claims for compensation, defamation, or invasion of privacy, or other infringements or violations of personal or property rights of any sort whatsoever.

In the event I should sustain injuries or illness while a guest at the WALT DISNEY WORLD® Resort, I hereby authorize Disney to administer, or cause to be administered, such first aid or other treatment and medications I may bring as may be necessary under the circumstances, to include treatment by a physician or hospital of Disney's choice.

This Release shall be binding upon me and my heirs, personal representatives and assigns, and shall be governed by and construed under the laws of the State of Florida without regard to conflicts of laws principles. Venue for any legal action arising out of or in connection with this Release shall be in Orange County, Florida, and jurisdiction shall be vested exclusively in the Circuit Court of the Ninth Judicial Circuit in and for Orange County, Florida, or, if appropriate, in the Federal District Court for the Middle District of Florida, Orlando Division. This Release constitutes the entire agreement among the parties hereto with respect to the subject matter of this Release and supersedes any and all previous agreements among the parties, whether written or oral, with respect to such subject matter.
