TEAM UPDATE #8

GENERAL NOTICES

Update from IFI:

There is a new version of Robot Controller Master Code to prevent the run-on condition announced earlier, called version 14 Beta. This is a Beta Test version. IFI will continue to test this Code for final release. If you would like to help Beta test this Code, or you are to the point where you need to do some prototyping testing using Radios, please use the Beta Code version 14 from the IFI web site at <http://www.ifirobotics.com/rc.shtml>. Please report any issues by calling IFI at 903-453-0802 or by email to Info@IFIRobotics.com.
